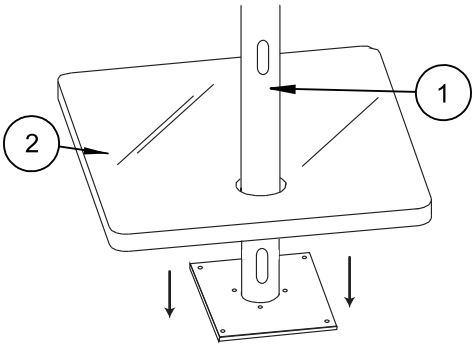
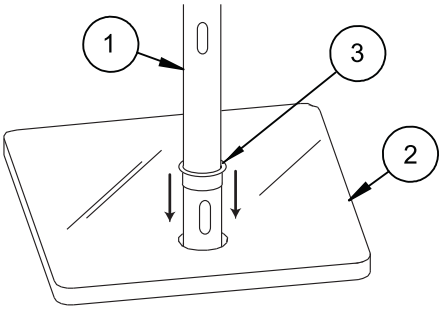
INSTALLATION INSTRUCTIONS

1

i. Slide base cover (part 2) over the support column (part 1).

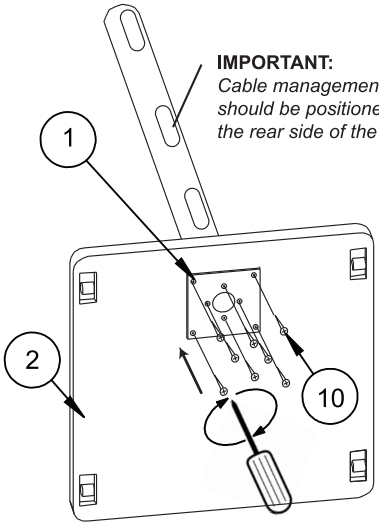


ii. Use pole ring (part 3) to fix base cover in place.



2

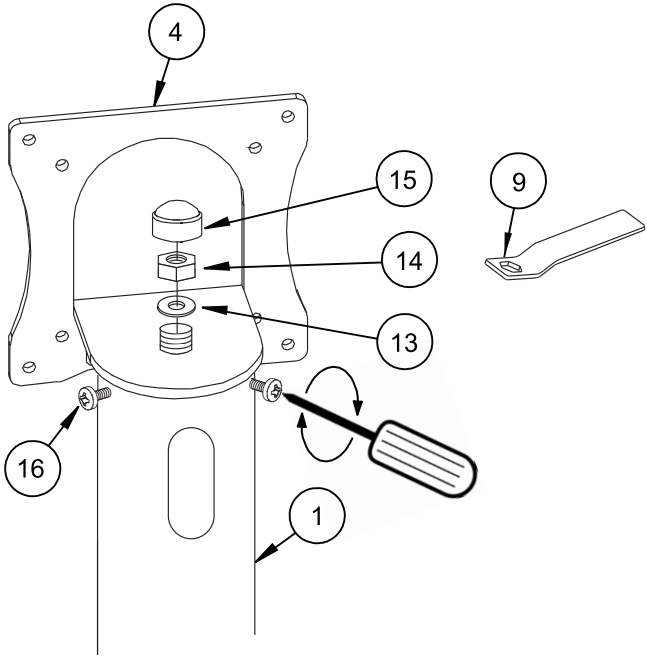
Secure support column to to base cover by using the provided M5 x 25mm screws (part 10).



IMPORTANT:
Cable management holes should be positioned facing the rear side of the stand.

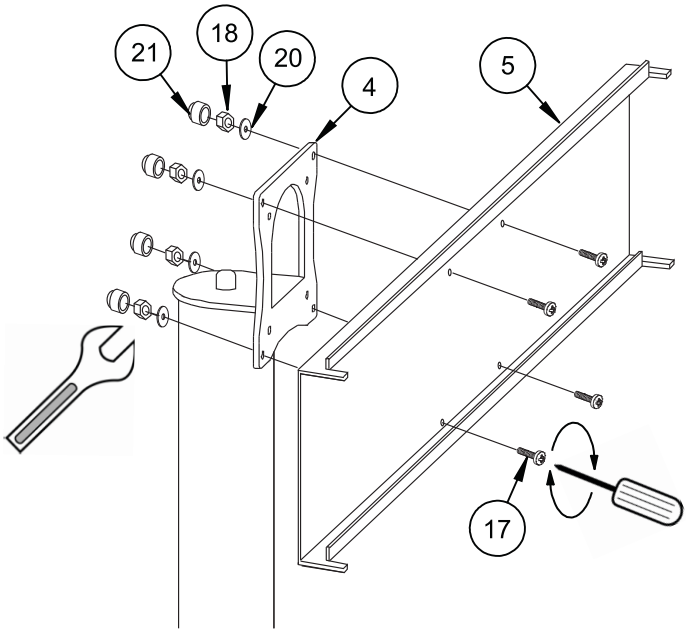
3

Fix mounting head (part 4) to the support column (part 1).



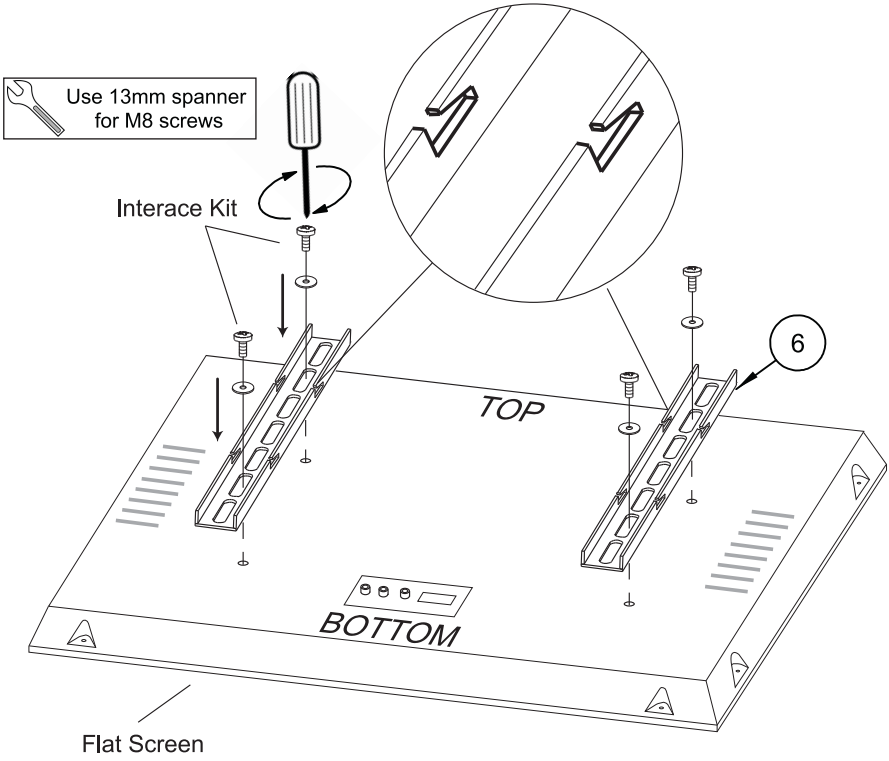
4

Fix mounting plate (part 5) to the mounting head (part 4).



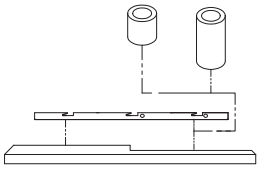
5

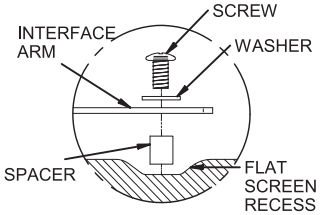
Attach interface arms (part 6) to screen using the supplied interface kit.
(Ensure the hooks on the arms are facing downwards).



FOR SCREENS WITH RECESSED FIXINGS

Use spacers (parts L and M) on recess in flat screen and for extra space for cables.





Please refer to screen manufacturer manual for guidance on screen mounting
