DESCRIPTION

Ceiling speaker

Modern design with frameless low-profile round grille, which makes it unnoticeable in any installation. It delivers crisp, clean and rich sound, making it perfect for voice and musical ambience.

ABS body and round steel grille guarantee its integrity.

Its simple anchor installation system minimises assembly time, with the screws being completely hidden behind the grille.

For background music and voice announcements in 100 V line installations in offices, small shops, restaurants, waiting rooms, etc.
